Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Wednesday 01 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely cloudy, but generally dry.

This Evening and Tonight:
Any clearer spells through the evening becoming limited as cloud thickens overnight, though some breaks remain possible in the southeast. Staying dry for most though the odd spot of light rain is possible. Minimum temperature 12 deg C (54 deg F).

Thursday:
Cloud tending to gradually break up through the morning, but lingering near the coast in places. Sunny spells for many during the afternoon. Maximum temperature 21 deg C (70 deg F).

Outlook for Friday to Sunday:
Another cloudy start Friday, but brighter spells later. Little change Saturday, although winds strengthening through the day. Likely staying dry, but windier Sunday. Rather cool throughout.
